

# Shout Out to Watershed Heroes!

## KEARNEY WATERSHED ENVIRONMENTAL FOUNDATION

[www.kwef.ca](http://www.kwef.ca)

---

The Kearney Watershed Environmental Foundation's (KWEF's) mission is to help preserve the quality of air, water, and terrestrial ecosystems of the Almaguin area of the Magnetawan Watershed and help protect this unique natural heritage for generations to come.

Kearney Watershed  
Environmental Foundation

KWEF aims are to promote awareness of the local environment and watershed with a view to:

- Protection of the regional drainage system and groundwater quality.
- Providing a sustainable environment and ecology
- Providing a base for unbiased public education.
- Providing an environmentally friendly design for economic growth and ecotourism.

The Kearney Watershed Environmental Foundation's role is one of stewardship. It is not a regulatory or enforcement agency.

All of their initiatives are run by volunteers and are funded by membership dues, financial support from individuals and local businesses, as well as in-kind support from organizations and businesses. In the past they have also received small grants from various sources, including the Town of Kearney

KWEF is a not-for-profit Ontario Corporation, governed by a small volunteer Board of Directors.

As part of our 50th anniversary we're proud to acknowledge Kearney Watershed Environmental Foundation (KWEF) as Watershed Heroes!
